Sir,

I am directed to state that Sri N.Parameswaran, M.A., Professor of Physics, First Grade College, Mysore attains the age of Superannuation on 5th February 1950. The Principal of the College represents that the College which has recently been converted into a First Grade College by the opening of B.Sc., classes needs the services of experienced Professors like Sri N.Parameswaran in connection with the extension, remodelling and equipment of the laboratories to meet the present needs. Sri Parameswaran is an experienced and efficient teacher. He is healthy and fit for active work. The Principal recommends a year's extension. The Vice-Chancellor is not however for giving a year's extension and is of the opinion that extension may be given till the end of the College year, i.e., the end of March 1950.

I am to request you to be so good as to obtain sanction of Government to the grant of an extension of service from 5th February 1950, till the end of March 1950 to Sri N.Parameswaran, Professor of Physics, First Grade College, Mysore as retiring a teacher in the middle of the College year will be detrimental to the interests of the students.

MYSORE,

Dated 10th October 1949

CONFIDENTIAL

Dear Sri Narasimhaiya,

With reference to your letter No. 1499/C.B. dated 17th August 1949 and subsequent reminder No. 2606/C.B. dated 21st September 1949 asking for my opinion whether the officers mentioned therein may be retired from service on the due date or any extension of service is considered necessary, I write to state as follows:--

- i. Dr. M. Siddalingaiya, Professor and Principal,
Teachers' College, Mysore.

The Teachers' College was started two years back and it needs to be developed. Dr. Siddalingaiya with his experience will be very useful in placing the College on sound foundations. In the circumstances, Dr. Siddalingaiya may be granted two years' extension of service.

- ii. Sri N. Parameswaran, M.A., Professor of Physics,
